

## Minnetonka City Hall Resilient Landscape

**Fred Rozumalski**

**Landscape Architect/Ecologist**

**Barr Engineering Company**

# Project Goals:

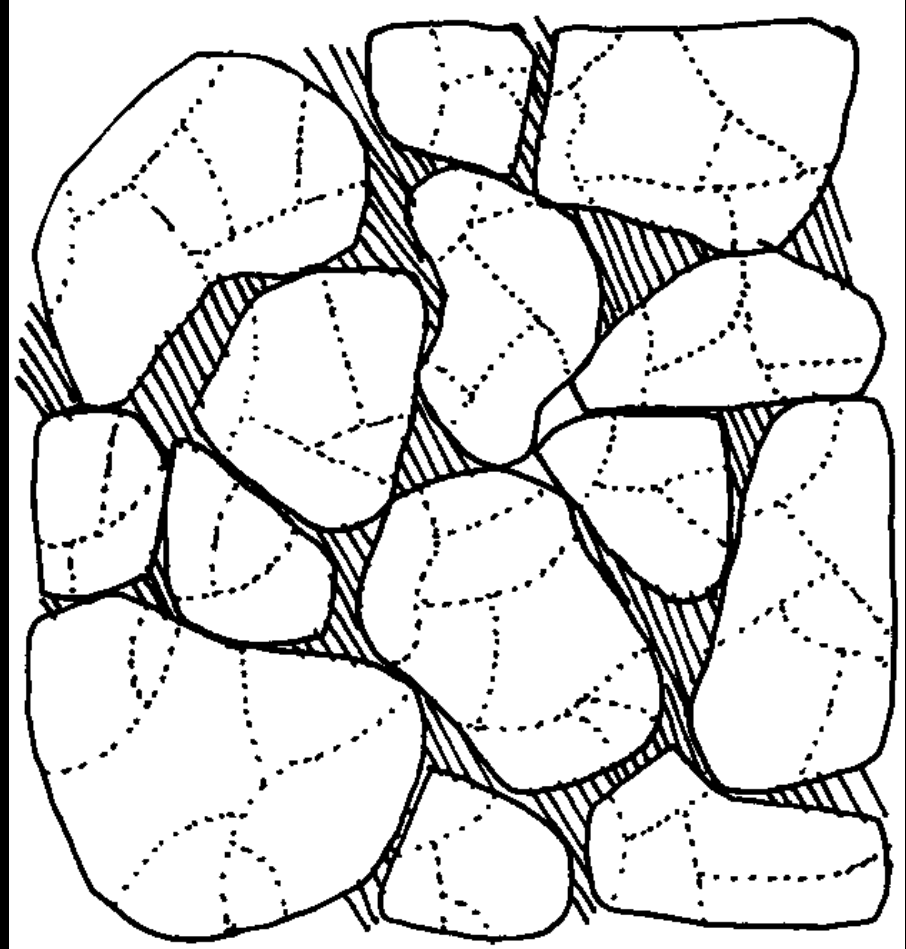

- Reflect what Minnetonka is: woods and wetlands
- Enhance City image
- Welcoming and Beautiful
- Low maintenance
- Demonstrate sustainability
- Collect and infiltrate stormwater
- Sequester carbon
- Reduce fossil fuel consumption
- Build soil fertility
- Support native plants
- Eliminate unused lawn
- Shade pavement

# Build and maintain soil structure.
